NEW LOCATION

Papago Golf Course
5595 E. Moreland Street
Phoenix, AZ 85008

7:30am -8:30am

No Charge – Breakfast Provided – AIA Members 1-hour Credit

APRIL 11
Coldspring, Craig Gerber, 951-317-4428

1 AIA LU with HSW; IIDA; ASLA

“Using Natural Stone in Today’s Architecture”

This presentation is intended to give design professionals a comprehensive understanding of natural stone and its use in the architecture design community. The presentation provides information on stone formation quarrying, fabrication process, piece size and thickness, applications, finishes and sampling, setting systems, testing and pricing considerations. The presentation also explains how the natural stone industry is playing a role in green construction and can contribute to LEED points.

APRIL 25
Sika, Ray Russo, 602-315-1676

1 AIA LU
“Vehicular & Pedestrian Traffic Waterproofing”

- Why would use a Traffic Coating in the desert? Not enough rain, right? What about maintenance and cleaning (pressure washing), irrigation into planters, nearby locations, monsoons, occupied space, protection of the rebar,etc?
 - What do we know about these coatings? What are the differences? How important is the compatibility with the sealants and any repair products?
 - What options exist on the various types?
 - Warranties? Life expectancy? Cost? QC/QA?
- We'll cover it all!

April 18 – LightArt, Scott Thomas, 480-270-2307

1 AIA with HSW; IDCEC, GBCI

“Everything is Acoustic”

This course functions as an acoustics overview for architects and interior designers. It includes a brief history of acoustics, an in-depth look at acoustic applications, and strategic acoustic design case studies. Additionally, the course addresses key acoustic terminology to aid in the process of specifying acoustic projects
