January 18

Pure + Freeform, Geoff Hahn, 636-352-3176 and Tony Evans, 480-303-9182

1 AIA LU with HSW

“Architectural Printed Metal Products: Unique Surfacing Solutions”

This course will discuss the advantages on direct printing onto metal sheets for interior and exterior applications such as ceilings, walls & exterior. Using the offset gravure printing process, unique finishes can be printed on various types of base metal sheets. This manufacturing process results in high fidelity finishes capable of all the fabrications of a metal substrate and providing a class A, durable, easily maintained & sustainable product. Projects/Case Studies discussed will be the Mandarin Oriental, Tokyo; Intercontinental Strings Hotel; ZGF’s 12th & Washington in Portland and the new Shiseido Building in Ginza.
